NEW!

Nitric Oxide (NO₂) RAW PharmaForce-EFX *The Most Intense form of Nitric Oxide Available!* *With Vaso-DX in Raw Form*

PharmaForce-EFX is a new product line within the Dellis family of products, designed for true athletes demanding high level performance from themselves and the products they take. Nitric Oxide RAW is formulated with Vaso-DX, a proprietary compound of Arginise alphaketoglutarate (A-AKG), arginine ketoisocaproate (A-KIC) and arginine pyroglutamate (APG), all three important biochemical factors associated with the dual action of vasodilation and growth release.* There's no other product like it!

*These statements have not been evaluated by the food and drug administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Supplement Facts

Serving size: 1 full Scoop (3 grams)

Servings Per Container: 60

	Amount Per Serving	% Daily Value
Vaso-DX Compound	3 grams	*
(Arginise alpha-ketoglutarate, arginine ketoisocaproate and arginine pyroglutamate)		

*Daily Values not established

Other Ingredients: None.

Suggested use: As a dietary supplement, adults take 1 full serving on an empty stomach in the morning and a full serving 1/2 hour prior to lunch. To take full advantage of the product place one full serving of powder on tongue and wash down with water. Product works best when taken consistently and as directed.

180 grams: \$49.99

90 Tablets: \$9.99

>>> ORDERING INFO >>>

Active Mineral with Calcium and Zinc

This product is designed to provide individuals with a single source for multi-mineral dietary supplementation. The role of the minerals in nutrition has been established but seems to be undervalued when compared to vitamins. Along with vitamins, minerals function as components that our bodies need for general growth and development. Active Mineral's multiple formulation consists of the most important minerals, including calcium and zinc.

180 Tablets: \$14.99

>>> ORDERING INFO >>>

Joint Aid

Dellis Joint Aid is made for individuals seeking the many health-related properties of glucosamine sulfate. This safe and effective natural substance is found abundantly in cartilage and plays an important role in health and resiliency. Dellis's efficient strengthening formula combines glucosamine sulfate with another nutrient, chondroitin sulfate, thought to be nature's remedy for arthritis and other joint-related discomforts.
